The mid-size solution for high productivity and efficiency

If you need big indoor performance from a more space efficient scrubber dryer, the ride-on SC3500 is your ideal solution. With improvements to productivity, manoeuvrability, and ergonomics, this versatile addition to the Nilfisk GO-Line can handle large commercial, educational, or industrial environments with ease.
A variety of features are standard on the SC3500, including:

- Automatic lifting/lowering of brush or squeegee, instead of mechanical operation
- Increased brush pressure (up to 50kg) for better results in less time
- Hanging squeegee for easier passage through narrow spaces/doorways
- Front LED headlights

With convenient, intuitive operation, the SC3500 ensures high-quality results across a broad variety of locations, as well as excellent reliability and a low total cost of ownership.

- High productivity for value; cleans large spaces with optimal efficiency
- Better results; improved brush pressure and quicker drying time
- Fast, convenient, and ergonomic; automatic management of brush/ squeegee
- Improved maneuverability and transport thanks to squeegee control
